

Pouya Ghasemi

Senior iOS Developer

A LITTLE ABOUT ME

I am a seven years experienced senior developer , I have done a great number of successful projects, such as MyApps, Cando, and so forth.

Over the last three years, I have been focusing on Mobile-Based Applications profoundly.

Furthermore, I have managed many teams and projects and I am quite professional at team working and most importantly, I have done number of projects individually. Besides, I am very capable in handling and tackling the problems during my work.
